Most of all, The Collection Plate explores both how we collect and erase the voices, lives, and innocence of underrepresented bodies—and behold their pleasure, pain, and possibility Both formally exciting and a delight to read, The Collection Plate is a testament to Allen's place as the voice of a generation—and a witness to how we come into being in the twenty-first century.

Don't Call Us Dead Danez Smith 2017-09-05 The highly anticipated second collection by Danez Smith—"Hallelujah is an understatement" (Patricia Smith) Award-winning poet Danez Smith is a groundbreaking force, celebrated for deft lyrics, urgent subjects, and performative power. Don't Call Us Dead opens with a heartrending sequence that imagines an afterlife for black men shot by police, a place where suspicion, violence, and grief are forgotten and replaced with the safety, love, and longevity they deserved here on earth. Smith turns then to desire, mortality—the dangers experienced in skin and body and blood—and a diagnosis of HIV positive. "Some of us are killed / in pieces," Smith writes, "some of us all at once." Don't Call Us Dead is an astonishing and ambitious collection, one that confronts, praises, and rebukes America—"Dear White America"—where every day is too often a funeral and not often enough a miracle.

Margaret Atwood Shannon Hengen 2007-05-22 Authors Shannon Hengen and Ashley Thomson have assembled a reference guide that covers all of the works written by the acclaimed Canadian author Margaret Atwood since 1988, including her novels *Cat's Eye*, *The Robber Bride*, *Alias Grace*, and the 2000 Booker Prize winner, *The Blind Assassin*. Rather than just including Atwood's books, this guide includes all of Atwood's works, including articles, short stories, letters, and individual poetry. Adaptations of Atwood's works are also included, as are some of her more public quotations. Secondary entries (i.e. interviews, scholarly resources, and reviews) are first sorted by type, and then arranged alphabetically by author, to allow greater ease of navigation. The individual chapters are organized chronologically, with each subdivided into seven categories: Atwood's Works, Adaptations, Quotations, Interviews, Scholarly Resources, Reviews of Atwood's Works, and Reviews of Adaptations of Atwood's Works. The book also includes a chapter entitled 'Atwood on the Web,' as well as extensive author and subject indexes. This new bibliography significantly enhances access to Atwood material, a feature that will be welcomed by university, public, and school librarians.

Margaret Atwood: A Reference Guide 1988-2005 will appeal not only to Atwood scholars, but to students and fans of one of Canada's greatest writers.

Distant Mandate Ange Mlinko 2017-07-11 In *Distant Mandate*, Ange Mlinko moves between the tormented southern landscape, with its alternately arid and flooded scrublands, and the imaginative landscapes of Western art. Guided by her spiritual forbears--Orpheus, Mallarmé, Pound, Yeats, and others--Mlinko deftly places herself within the tradition of the poet in protest against the obduracy of the real. Mlinko takes the title from a piece by Laszlo Krasznahorkai on the unknowable origins of the Alhambra, the monument "for the sight of which there is only a distant mandate . . . [one] can see, in any event, the moment of creation of the world, of course all the while understanding nothing of it." This distant mandate, also the "bitter ideal" of Mallarmé, is the foundation upon which all works of art are composed--the torment of eros and the intimation of war. Myth is central to these poems; some are based on the story Cupid and Psyche, others serve as odes to Aphrodite or as explorations of the myth of Orpheus and Eurydice. In *Distant Mandate*, Mlinko has given us a shimmering and vibrant collection, one that shows us not only how literature imagines itself through life but also how life reimagines itself through literature.

The Book of Mordred Vivian Vande Velde 2007-06-18 As the peaceful King Arthur reigns, the five-year-old daughter of Lady Alayna, newly widowed of the village-wizard Toland, is abducted by knights who leave their barn burning and their only servant dead. Reprint.

The Village Blacksmith Henry Wadsworth Longfellow 2020-05-12 A contemporary envisioning of a nineteenth-century poem pairs artwork by G. Brian Karas with the Henry Wadsworth Longfellow classic. His brow is wet with honest sweat; He earns whate'er he can, And looks the whole world in the face, For he owes not any man. The neighborhood blacksmith is a quiet and unassuming presence, tucked in his smithy under the chestnut tree. Sturdy, generous, and with sadness of his own, he toils through the day, passing on the tools of his trade, and come evening, takes a well-deserved rest. Longfellow's timeless poem is enhanced by G. Brian Karas's thoughtful and contemporary art in this modern retelling of the tender tale of a humble craftsman. An afterword about the tools and the trade of blacksmithing will draw readers curious about this age-honored endeavor, which has seen renewed interest in developed countries and continues to be plied around the world.

Ambition and Survival Christian Wiman 2013-06-14 "That calling, at once religious, ethical, and aesthetic, is one that only a genuine poet can hear—and very few poets can explain it as compellingly as Mr. Wiman does. That gift is what makes *Ambition and Survival*, not just one of the best books of poetry criticism in a generation, but a spiritual memoir of the first order." —New York Sun "This weighty first prose collection should inspire wide attention, partly because of Wiman's current job, partly because of his astute insights and partly because he mixes poetry criticism with sometimes shocking memoir ... The collection's greatest strength comes in general ruminations on the writing, reading and judging poetry." —Publishers Weekly "[Wiman is] a terrific personal essayist, as this new collection illustrates, with the command and instincts of the popular memoirist ... This is a brave and bracing book." —Booklist "Blazing high style" is how The New York Times describes the prose of Christian Wiman, the young editor transforming *Poetry*, the country's oldest literary magazine. *Ambition and Survival* is a collection of stirring personal essays and critical prose on a wide range of subjects: reading Milton in Guatemala, recalling violent episodes of his youth, and traveling in Africa with his eccentric father, as well as a series of penetrating essays on writers as diverse as Thomas Hardy and Janet Lewis. The book concludes with a portrait of Wiman's diagnosis of a rare form of incurable and lethal cancer, and how mortality reignited his religious passions. When I was twenty years old I set out to be a poet. That sounds like I was a sort of frigate raising anchor, and in a way I guess I was, though susceptible to the lightest of winds. . . . When I read Samuel Johnson's comment that any young man could compensate for his poor education by reading five hours a day for five years, that's exactly what I tried to do, practically setting a timer every afternoon to let me know when the little egg of my brain was boiled. It's a small miracle that I didn't take to wearing a cape. Christian Wiman is the editor of *Poetry* magazine. His poems and essays appear regularly in *The New Yorker*, *The Atlantic Monthly*, *Harper's*, and *The New York Times Book Review*.

day? And most important — who can they tell about it? In beautifully shimmering prose, Ursula Dubosarsky reveals how a single shared experience can alter the course of young lives forever. Part gripping thriller, part ethereal tale of innocence lost, *The Golden Day* is a poignant study of fear and friendship, and of what it takes to come of age with courage.

Every Day We Get More Illegal Juan Felipe Herrera 2020-09-22 Included in Publishers Weekly's Top 10 Poetry Books of 2020 and LitHub's Most Anticipated Books of the Year! A State of the Union from the nation's first Latino Poet Laureate. Trenchant, compassionate, and filled with hope. "Many poets since the 1960s have dreamed of a new hybrid art, part oral, part written, part English, part something else: an art grounded in ethnic identity, fueled by collective pride, yet irreducibly individual too. Many poets have tried to create such an art: Herrera is one of the first to succeed."—New York Times "Herrera has the unusual capacity to write convincing political poems that are as personally felt as poems can be."—NPR "Juan Felipe Herrera's magnificent new poems in *Every Day We Get More Illegal* testify to the deepest parts of the American dream—the streets and parking lots, the stores and restaurants and futures that belong to all—from the times when hope was bright, more like an intimate song than any anthem stirring the blood."—Naomi Shihab Nye, *The New York Times Magazine* "From Basho to Mandela, *Every Day We Get More Illegal* takes us on an international tour for a lesson in the history of resistance from a poet who declares, 'I had to learn . . . to take care of myself . . . the courage to listen to my self.' In ways subtle and sometimes proudly loud, this book makes it clear exactly why Juan Felipe Herrera continues to be recognized and sought after for his work. You hold in your hands evidence of who we really are."—Jericho Brown, author of *The Tradition* "In *Every Day We Get More Illegal* Juan Felipe Herrera shows off all of his styles. These poems talk directly to America, to migrant people, and to working people. Herrera has created a chorus to remind us we are alive and beautiful and powerful."—José Olivarez, Author of *Citizen Illegal* "The poet comes to his country with a book of songs, and asks: America, are you listening? We better listen. There is wisdom in this book, there is a choral voice that teaches us 'to gain, pebble by pebble, seashell by seashell, the courage.' The courage to find more grace, to find flames."—Ilya Kaminsky, author of *Deaf Republic* In this collection of poems, written during and immediately after two years on the road as United States Poet Laureate, Juan Felipe Herrera reports back on his travels through contemporary America. Poems written in the heat of witness, and later, in quiet moments of reflection, coalesce into an urgent, trenchant, and yet hope-filled portrait. The struggle and pain of those pushed to the edges, the shootings and assaults and injustices of our streets, the lethal border game that separates and divides, and then: a shift of register, a leap for peace and a view onto the possibility of unity. *Every Day We Get More Illegal* is a jolt to the conscience—filled with the multiple powers of the many voices and many textures of every day in America. "Former

Poet Laureate Juan Felipe Herrera should also be Laureate of our Millennium—a messenger who nimbly traverses the transcendental liminalities of the United States to then speak from the body politic in confrontation with an enemy system that threatens the networks that make us ethical and humane. Every book he writes becomes his best book and this collection is no exception. He brings unity and vulnerability to this wide-ranging and prophetic volume."—Carmen Gimenez Smith, author of *Be Recorder*

It is moments like these that have inspired the touching, honest, and gripping poems found in I Just Hope It's Lethal: Poems of Sadness, Madness, and Joy. After all, what's normal anyway?
