A Historical Guide to NGOs in Britain M. Hilton 2012-07-20 Aiming to furnish the reader with the historical data to engage with the debates surrounding the Cameron government's 'Big Society' and civil society, this book gives the reader a greater and more informed historical consciousness of how the NGO sector has grown and influenced.

IT Project+ Study Guide William Heldman 2006-02-20 Here's the book you need to prepare for the latest version of CompTIA's IT Project+ exam. This Study Guide was developed to meet the exacting requirements of today's certification candidates. In addition to the consistent and accessible instructional approach that has earned Sybex the "Best Study Guide" designation in the 2003 CertCities Readers Choice Awards, this book provides: Clear and concise information on IT project management Practical examples and insights drawn from real-world experience Leading-edge exam preparation software, including a test engine and electronic flashcards You'll also find authoritative coverage of key exam topics, including: IT Project Initiation and Scope Definition IT Project Planning IT Project Execution, Control and Coordination IT Project Closure, Acceptance and Support This book has been reviewed and approved as CompTIA Authorized Quality Curriculum (CAQC). Students derive a number of important study advantages with CAQC materials, including coverage of all exam objectives, implementation of important instructional design principles, and instructional reviews that help students assess their learning comprehension and readiness for the exam. Note: On August 10, 2004 CompTIA changed the name of the IT Project+ certification to Project+, "in order to better reflect the title's application beyond IT professionals." Neither the exam objectives nor the exam questions were changed. The CAQC approved content found in this edition of the IT Project+ Study Guide therefore remains valid and suitable for candidates preparing for the Project+ certification. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

Designing an Effective Pay for Performance Compensation System Cynthia H. Ferentinos 2006-07 Federal Government agencies are moving to better align pay with performance & create organizational cultures that emphasize performance rather than tenure. However, agencies must invest time, money, & effort in the design of their pay for performance compensation systems in order to succeed. To help agencies understand the critical prerequisites to success & key decision points, a review was conducted of professional & academic writings on the topic of pay for performance. This user-friendly guide summarizes the research findings. Contents: a summary of pay for performance; benefits & risks associated with pay for performance; pay for performance decision points; conclusions & recommendations; & bibliography. Illustrations.

The Social Security Fix-it Book Steven A. Sass 2007-01-01 Product Description Social Security has a long-term financing problem. More of us will soon be collecting benefits with not many more paying taxes to support the program. The Social Security Fix-It book is a short, colorful guide to the program, its financing issues, and the leading proposals for eliminating the shortfall. Cheerfully narrated and easy to read, this book seeks to raise public awareness to achieve a long-lasting solution. About the Author Alicia H. Munnell is the Director of the Center for Retirement Research at Boston College and the Peter F. Drucker Professor in Management Sciences at the Carroll School of Management at Boston College. Steven A. Sass is Associate Director for Research at the Center for Retirement Research at Boston College. Andrew Eschtruth is Associate Director for External Relations at the Center for Retirement Research at Boston College.
